I agree with providing a generic "swag" item such as a mug or keychain – should have our logo on it.

Problem with shirts is keeping (storing) all the sizes. I am more inclined to give a mug, keychain, a one-size-fits-all token with our logo.

Looks good – still maintain that we should add a "Polo" or "T-Shirt" as part of the membership perks or some sort of other "Swag" if you will
